citizens
advice

Barnet

We provide a free and confidential benefits advice service for people living with cancer.

Our Service

Who are we?

Macmillan Cancer Support and Citizens Advice Barnet are working together to provide the Macmillan Welfare Benefits Advice Service for Barnet, Enfield, and Haringey. This is a specialist service giving free, confidential, independent and impartial benefits advice to people affected by cancer.

Do you need help with the cost of cancer?

If you or your family are affected by cancer and struggling to cope with its financial impact, there is help available. We know cancer can be expensive. Your income may go down and your spending may go up. You may have to pay for a special diet, childcare, higher heating costs or travel to a hospital. It may be hard to keep your job. That's where we come in.

What can we help with?

Our service offers one-to-one sessions with specialist advisers to help identify the problems you are experiencing and explore the available options. For example, we can

- explore the benefits you are entitled to, make applications and fill in the forms, and challenge decisions if needed
- help you access a grant from Macmillan Cancer Support to meet unexpected costs or provide some much-needed respite
- assist with applying for both Blue Badge and Disabled Person's Freedom Pass
- identify other advice areas where help is needed but not provided by our service, such as housing, employment, debts, immigration, etc., and signpost or refer to appropriate organisations
- provide advice and assistance for carers and/or families of patients affected by cancer
