Child Protection Medical Assessment (Haringey)

A children's guide

Why am I having a medical check up?

To check that you are healthy and well.

Where does it happen?

At the paediatric assessment unit at Tynemouth Road Health Centre

What happens?

You will see a children's doctor (paediatrician) who will check your height and weight and see if you are healthy. The doctor will ask if it is alright before they do this.

You can choose who you would like to have with you

Waiting to see the doctor

There are toys for you to play with. You can choose a drink and a snack to eat.

Don't forget to complete the survey at the end! Our friendly receptionists will be happy to help you 😊
