What conditions do we see?

The Community Children's Nursing Team will see children and young people for the following:

- Long term support with our cancer patients
- Intravenous (IV) (into the vein) antibiotics including transfusions
- Wound dressing
- Supporting young babies who are oxygen dependent
- Nasogastric, PEG (Percutaneous endoscopic gastrostomy) and Gastrostomy support
- Training for specific children attending mainstream school who have a nursing need
- Any child or young person with a nursing need

Who do we see?

- Babies and children (from birth to 17 years)
- Up to 19 years old if the child has a long-term, complex condition
- Families who have an Islington GP and live in the borough
- We accept referrals from Secondary Care and Specialist Tertiary Hospitals (GPs, practice nurses, Great Ormond Street Hospital for Children, etc.).
