Who are we? And what services are covered by our team?

- We are Community Children's Nurses with specialist skills and knowledge to support children at home with a range of conditions.
- We also run Hospital at Home which specifically aims to look after sicker children at home who are referred by either Whittington or UCLH.
- Paediatric Primary Care Service is also run by our specialist nurses, delivering nurse led clinics from GP practices.

What conditions do we see?

- The Community Children's Nursing Team will see children and young people for:
- ✓ Long term support with our Cancer patients
 - ✓ Intravenous antibiotics including infusions
 - ✓ Wound dressings
 - ✓ Supporting young babies who are oxygen dependent
 - ✓ Nasogastric, PEG and Gastrostomy support
 - ✓ Training for specific children attending mainstream school who have a nursing need and
 - ✓ Any child or young person with a nursing need

Who do we see?

- Babies and Children from neonates to 16 years old
- Up to 19 years if the child has a long-term complex condition
- Families who have an Islington GP and live in the borough
- We accept referrals from GPs, secondary care and specialist tertiary hospitals
