

Islington Paediatric Primary Care Service

Our Team

Wendy – Team Leader

Hannah – Nurse

Olivia – Nurse

Jubeda – Admin

Who are we?

We are a team of specialist paediatric Nurses who are interested in chronic illnesses, such as **viral induced wheeze** (tubes leading to the lungs have become irritated, making it hard for the child to breathe), **asthma** (breathing difficulties), **eczema** (skin is itchy, dry and cracked), **constipation** (difficulties passing poo) and **nocturnal enuresis** (bed wetting).

Our vision

To empower children, young people, and their families and help them manage their long-term conditions within the community and their homes. To reduce emergency hospital visits and hospital referrals so that we can keep care closer to home.

Conditions we support

- Asthma (from 18 months old)
- Constipation (from 2 years old)
- Eczema – mild to moderate (from 3 months old)
- Nocturnal Enuresis (bed wetting) (from 5 years old)
- Viral Induced wheeze (from 18 months old)

Where can you find us?

- We run Nurse led clinics out of several Islington GP surgeries.

- Amwell Group Practice (WC1X 0GB)
- Islington Central Medical Centre (N1 1SW)
- River Place Group Practice (N1 2DE)
- The Village Practice (N7 7JJ)

Main base:

The Northern Health Centre
580 Holloway Road,
London,
N7 6LB

Feedback:

Please fill out our online friends and family questionnaire with the QR code below, to tell us what we do well or how we can improve.
