What to expect when arriving at your appointment at Lift Youth Hub

Your practitioner will meet you at:

Lift Youth Hub

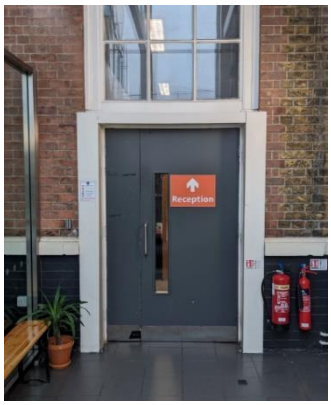

45 White Lion Street

London

N1 9PW

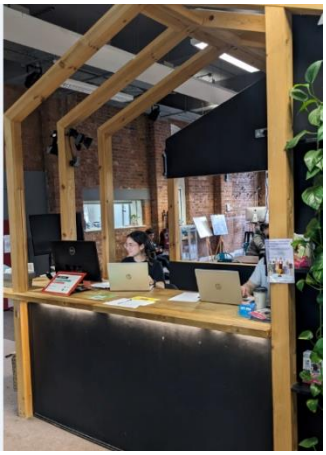

When you arrive, walk through the automatic door.

Then pull the second door open.

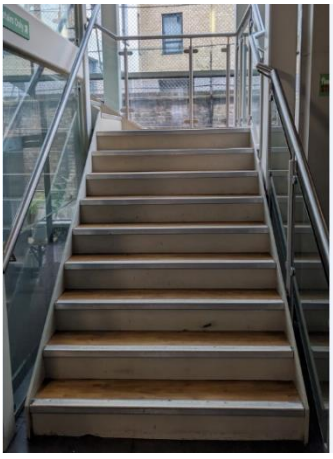

This leads to an open plan room with a reception desk.

There will be someone sitting at the reception desk.

You can let them know you're here for an appointment with a CWP in one of the advice rooms.

Behind the desk, there is a seating area with tables and chairs where you can wait for your CWP.

The advice rooms are on the 1st floor.

You can walk up two flights of stairs.

Or you can take the lift.

Your CWP will take you to the room where your appointment will be.

There will be other young people and adults around the building.

They will be attending sessions or spending time in the youth hub.

We look forward to meeting you!
