

Haringey Universal Therapy Services (HUTS) Advice Poster

How can I help my child to use words and phrases?

- Get down to your **child's level** and be **face-to-face** with them
- Join in with your child's interests and **wait** for them to send you a message
- **Make comments** instead of questions e.g. Say "a blue car" instead of "what's that?"
- Repeat and **add a word** e.g. Child: "teddy" Adult: "teddy sleeping!"
