

## **Self-request chest x-ray**

Have you had either of these symptoms for three weeks or more?

- A cough
- Shortness of breath/difficulty in breathing

Most of the time these symptoms are nothing to worry about, but it's important to get them checked.

You can put your mind at rest by visiting Wood Green Community Diagnostic Centre (CDC) in The Mall, Wood Green for a free chest x-ray.

No appointment necessary, it's a walk-in service.

A chest x-ray is a quick service, and it should be possible to receive a chest x-ray within one hour of attending Wood Green CDC (depending on demand for services on the day)

The service is open Mon-Fri 8:30am-6:30pm, and on Saturday from 9:30am-4:30pm.

You and your GP will be contacted with the results of your x-ray within 7-10 days.

**Find out more about Wood Green CDC here.**

### **Please note:**

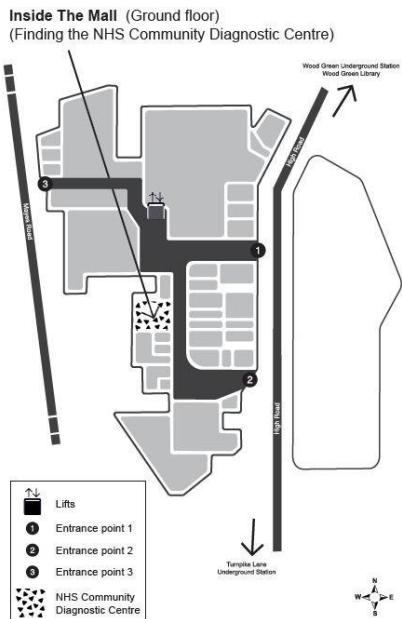

- **Only patients registered at participating GP practices who received a text message are eligible for this service.**
- If you are not eligible but think you need a chest x-ray, please arrange an appointment with your GP.
- If you have had a chest x-ray or CT scan in the last 6 months, you will not be eligible for this service.

Please do not attend this service if you have:

- Sudden or severe chest pain
- Severe shortness of breath
- Coughing up blood
- A high fever or feel acutely unwell.

If you experience any of the above, please contact your GP urgently, NHS 111, or attend A&E.
