Contact information for a referral made by Camden & Islington paediatric audiology to another service

A parent's guide

Important Information

- Your child has been referred to an alternative department for further management of their hearing and has been discharged from our service.
- Your child has been referred to another service for further management of other concerns that you have raised and will continue to be monitored by our audiology team with regards to their hearing.
- Your child has been referred to another service for further management of other concerns that you have raised and has been discharged from our audiology service after passing their hearing assessment today.

Please contact the department(s) ticked below if you have not heard anything four weeks after receiving your report.

Alternatively, you can contact our admin team on **020 3224 4604**
